For 2015, the index rate is established at 1.5% and the CAP is at this per cent unless the municipality elected to The implementation of a flexible chart of accounts program began in earnest several years ago for Municipal and County entities to provide a increase to 3.5% by adoption of municipal index ordinance. "common language" common to all municipal and county budgets. The common coding will ultimately lead to electronic filing of budgets rather than the historical, but now outdated, paper intensive system in place today. It's other benefits are a higher degree of comparability between government units, and it assists the Division in preparing it's Annual Report. Any questions regarding the new budget breakdowns and crosswalks should be directed to the office of the Chief Financial Officer.
