The lock on the refreshment stand will probably need to be replaced as the Mayor had difficulty getting into the stand this past weekend. Work will soon begin on the ball fields with the help of LTAA. There is a SWAC meeting next Tuesday that Councilman Medea will attend.

Councilwoman Andersen asked Councilman Medea, on behalf of her husband Jerry, what color the Parks Committee would like to see on the new park sign that is being worked on by the County. Councilman Medea will discuss this with the Committee at the next meeting.

Councilwoman Salisbury had no report for tonight.

Councilman Baggstrom reported that the Planning Board will meet on Wednesday, March 23<sup>rd</sup>.

Councilman Baggstrom reported on the School Board meeting that he attended:

- 1) the teacher's 3 year contract was resolved: teachers agreed on a 0% salary increase for the first year; 2% salary increase for the second year; 2% salary increase for the third year.

- 2) The School Board is thinking of changing their school calendar to mandate that school begin on Sept. 1<sup>st</sup>, before Labor Day, not afterward.
- 3) The school's web site is down and Councilman Baggstrom offered that the school could post notices on the Borough website

Councilman Smith reported on plans for the Memorial Day parade. The Glen Gardner VFW has declined to attend due to a previous scheduled engagement. Councilman Smith did contact the veterans group given to him by Hunterdon Review editor, Deb Dawson. Councilman Smith reported that the Voorhees H.S. chorus, comprised of 70 students, will sing at the Memorial Day festivities.

Councilman Smith reported that he has found an alternative port-a-john company, Lovenberg, out of Hackettstown or Warren that the County uses for their parks. Their prices are lower than Mr. John and he has received a proposal for the handicapped john for Memorial Day, in the amount of \$95.00 for a 30 day rental that he will forward to the Clerk. Councilman Smith asked the Clerk to schedule the john for Memorial Day and recommended that we use the services of Lovenberg for the monthly rental of a port-a-john in the park.

Councilman Weiler reported that the Environmental Commission met on Wednesday, 3/15. The EC reviewed the ERI work done for the Highlands Plan Conformance by Mike Mueller from Group Melvin Design. The EC will be in attendance at the next Planning Board meeting to join them in voting to approve the ERI work and the Master Plan work so that this information can be transmitted to the Highlands Council for this Plan Conformance deadline. Councilman Weiler stated that the EC has begun to set an agenda for work this year. Mayor Daniel has provided some suggestions that the EC can work on such as looking into the cost of reducing street lighting costs and work on a septic ordinance. Councilwoman Andersen asked that the Environmental Commission let her know when they will be discussing and working on street lighting because she would like to participate. Councilman Weiler reported that the Chairman of the EC, Jim Bell, would like to discuss solar lighting alternatives for street lighting.

Councilwoman Andersen reported that the CPC members have recently been able to get back into the Nellie Hoffman house. Entry had been difficult due to the heavy snows this winter. There was no Mayor's report for tonight's meeting due to his absence.

### **COMMENTS FROM THE PUBLIC**

Lavinia Trimmer, resident of Califon and member of the Planning Board, asked Council what the town pays to the Washington Police Dept. because she recently received a PBA solicitation in the mail and she did not think it was appropriate. Councilman Baggstrom said it was from the union, not the Police Dept.

There being no further business to come before Council at this time, motion was made by T. Weiler seconded by J. Salisbury and unanimously accepted to adjourn the meeting at 9:12 p.m.
